

National Career Service

Scheme Name: National Career Service (NCS)

Ministry / Department:

Ministry of Labour and Employment, Government of India.

Purpose:

National Career Service provides a digital platform for job seekers, employers, counsellors, and career centres.

Benefits:

- Job seeker registration and job matching.
- Career counselling and employment-related services.
- Job fairs and employer postings.
- Access to government and private job opportunities listed on the portal.

Eligibility:

- Job seekers, students, employers, placement organisations, and counsellors can register as per portal rules.
- Some services may require identity verification and profile completion.

Documents Commonly Required:

- Aadhaar or identity details where required.
- Mobile number and email.
- Education and skill details.
- Resume / employment history.

Where to Apply:

- NCS portal: <https://www.ncs.gov.in>
- Model Career Centres and employment exchanges where available.

Common Citizen Issues:

- Login or OTP issue.
- Fake job concerns.
- Employer not responding.
- Profile not visible.
- Job fair registration confusion.

RTI Department / Office:

Public Information Officer, Ministry of Labour and Employment. Portal-specific support is handled by NCS helpdesk.
